Evan,

I understand from Matt Gartner that you can provide duplicate originals of cure notices to counsel who confirm that they are counsel of record and authorized to accept service on behalf of their clients. With respect to the four suppliers for whom you previously provided me cure notice copies (Timken, Torrington, National Semiconductor, and Linear Technology, their counsel is now requesting duplicate originals to use (he says his clients never received the originals). See his emails below. Can you provide him, in pdfs in an email, duplicate originals? His contact info is below.

Thanks and let me know if you have any questions.

James,

If you list all of your clients for which you want to receive originals of the cure notices and confirm that you are willing to accept service of duplicate originals on behalf of those clients and certify that you are the official attorney of record for these entities with the right to receive service on their behalf, then I will forward on to KCC, the claims and noticing agent, and KCC will either FedExing duplicate originals or send them by pdf in an email, whichever you prefer.

I have been in touch with each of my clients and none received the notices Delphi allegedly sent. Can you get me another set of originals? Otherwise we'll have to fill out the forms you sent, which are marked as copies. Thanks.
